THIS CERTIFICATE IS ISSUED IN COMPLIANCE WITH CONFORMITY ASSESSMENT MODULE B OF THE REGULATIONS AND DIRECTIVES LISTED ABOVE.

ISSUE DATE: 12 January 2018

EXPIRATION DATE: 9 February 2020

SIGNATURE: S. Balakan

Should the specified regulations or standards be amended during the validity of this certificate, the products are to be re-approved prior to being placed on board vessels to which the amended regulations or standards apply.

This "Mark of Conformity" may only be affixed to the above equipment and a Manufacturer's Declaration of Conformity issued when the production-control phase Module (D, E or F) of Annex II of the Directive is fully complied with and controlled by a written agreement with a Notified Body.

The attached document list forms part of this Certificate.

This certificate evidences compliance with one or more of the Rules, Guides, standards or other criteria of ABS or a statutory, industrial or manufacturer's standards. ABS Europe Ltd. is a Notified Body under the authorization of UK MCA by Merchant Shipping Equipment Regulation, SI 2016, No. 1025 and MSN 1874 (M+F), as amended. Compliance with the provisions laid down in EU Directive 2014/90/EU, will be determined as governed by the terms and conditions as contained in EU MED application form – CLS-JBA-00131.

Romania

Equipment/Component:

Inflatable Lifejacket

Model:

Inflatable Lifejacket Type '275N'

Description:

Twin Chambered Inflatable Lifejacket

Intended Service:

Personal Life-saving appliance for general purpose use and to fit adult persons only

Ratings:

Twin chamber inflatable life jacket, suitable for adult persons in the following size-range:

Chest size: up to 180 cm (71")
Weight: 43 kg (95 lb) and over
Height: 155 cm (51") and over

Comments:

The inspection and tests for the lifejacket were satisfactorily carried out at the Fleetwood Testing Laboratory report ref. BLS/FTL/2249, dated 25 November 2010

Each lifejacket shall be marked as per the requirement of LSA Code.

When required, an approved lifejacket light and whistle meeting the requirements of LSA Code regulations II/2.2.3 and II/2.2.1.8 respectively are to be fitted.

Limitations

The Lifejacket is approved with the Personal Location Beacons, Components and Inflation Mechanisms as detailed in drawing schedule table.

Comments:

The lifejacket lights shall be tested to the requirements of IMO Resolution MSC.81(70) as amended to confirm the adequacy of their means of attachment.

Lifejackets shall be supplied with full donning, service and maintenance instructions including description of any spare parts and their replacement and any other additional information required for proper care and use of product in compliance with SOLAS requirements.

Approved in accordance with the Life Saving Appliances requirements for 'Lifejackets', item MED/1.4 of the European Union Marine Equipment Directive 2014/90/EU Implementing Regulation (EU) 2017/306.

This certificate will not be valid if the manufacturer makes any changes or modifications to the approved equipment, which have not been notified to, and agreed with the Notified Body named on this certificate.

The "Mark of Conformity" may only be affixed to the above equipment and a Manufacturer's Declaration of Conformity issued when the production-control phase module (D, E or F) of Annex II of the Directive is fully complied with and controlled by a written agreement with a Notified Body.

Certificate No. 10-LD660961-3-EC, replaces Certificate No. 10-LD660961-2-EC, Date: 12th January 2018
