

CE EN396 / ISO12402-3

With its 3D collar design and soft outer skin, the popular Besto Raider Style jacket has a perfect fit. The collar is strapped firmly to the back for comfortable and safe neck support. The jacket is perfectly finished with an edge binding all-round. The jacket has a minimum floating capacity of 150N. The jacket is available in various versions, auto or manual, with or without harness and in various colours.
